

DECLARATION OF WILLIAM MOTMANS
IN SUPPORT OF DEFAULT DECISION AND ORDER

I, William Motmans, Jr. declare as follows:

1. I am over the age of 18 years, and am not a party to the within action. My business address is 428 J Street, Suite 620, Sacramento, California.

2. I am an Investigator for the Fair Political Practices Commission's ("FPPC") Enforcement Division. I was assigned to investigate allegations that Mark Briggs, a member of the Commission on HIV Health Services for the County of Los Angeles, failed to timely file his 1999 annual statement of economic interests ("SEI"). As such, I am familiar with the contents of Mr. Briggs' file, and can testify as stated herein of my own knowledge.

3. On April 17, 2000 and May 22, 2000, John McKibben, Deputy Executive Officer for the Los Angeles County Board of Supervisors, sent letters to Mr. Briggs stating that his annual 1999 SEI had not been received by the April 3, 2000 deadline. The letters requested that the SEI be filed as soon as possible. The second letter advised Mr. Briggs that the matter would be referred to the Fair Political Practices Commission's Enforcement Division if the SEI was not filed within 10 days.

4. On June 16, 2000, Mr. McKibben referred the matter to the Commission for assistance.

5. On July 5 – 6, 2000, I left a message for Mr. Briggs on his residence telephone regarding the failure to file his 1999 annual SEI. Mr. Briggs did not respond to my messages, but he filed his 1999 annual SEI the on July 25, 2000.

6. I was also assigned to a prior enforcement matter involving Mark Briggs known as FPPC No. 99/688, which involved the late filing of Mr. Briggs' 1998 annual SEI. In 1999, Mr. McKibben sent five letters to Mr. Briggs requesting that he file his 1998 SEI, before referring the matter to the Commission on October 6, 1999. I left several telephone messages for Mr. Briggs which were not answered. However, Mr. Briggs filed the delinquent SEI on November 5, 1999. Since Mr. Briggs filed promptly, the case was closed without further enforcement action.

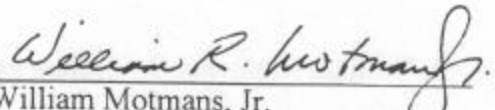

1 I declare under penalty of perjury under the laws of the State of California, that the
2 foregoing is true and correct.
